It's become an annual trip for the Granite City South Soccer team. Each November. the Warriors head northward to whatever site is designated for the Illinois State Soccer Championship. South Teams have made the trip seven times in eight years. The last five trips have resulted in state championships. Few Illinois high schools have been so dominant in one sport. The Warriors are 123-13-11 for the last five seasons. They have won fifteen straight state tournament games, outscoring their opponents 44-6.

The first Illinois State Soccer Tournament was held in 1972. That year, under head coach John Sellmeyer, the Warriors won the title. In 1973, South won it's first round game, however they lost in the semifinals. In 1976, South defeated Wheaton Central for the state title. The momentum began at that tournament and hasn't slowed down yet. The most recent season South defeated Hinsdale South 5-1 to win its fifth straight title.

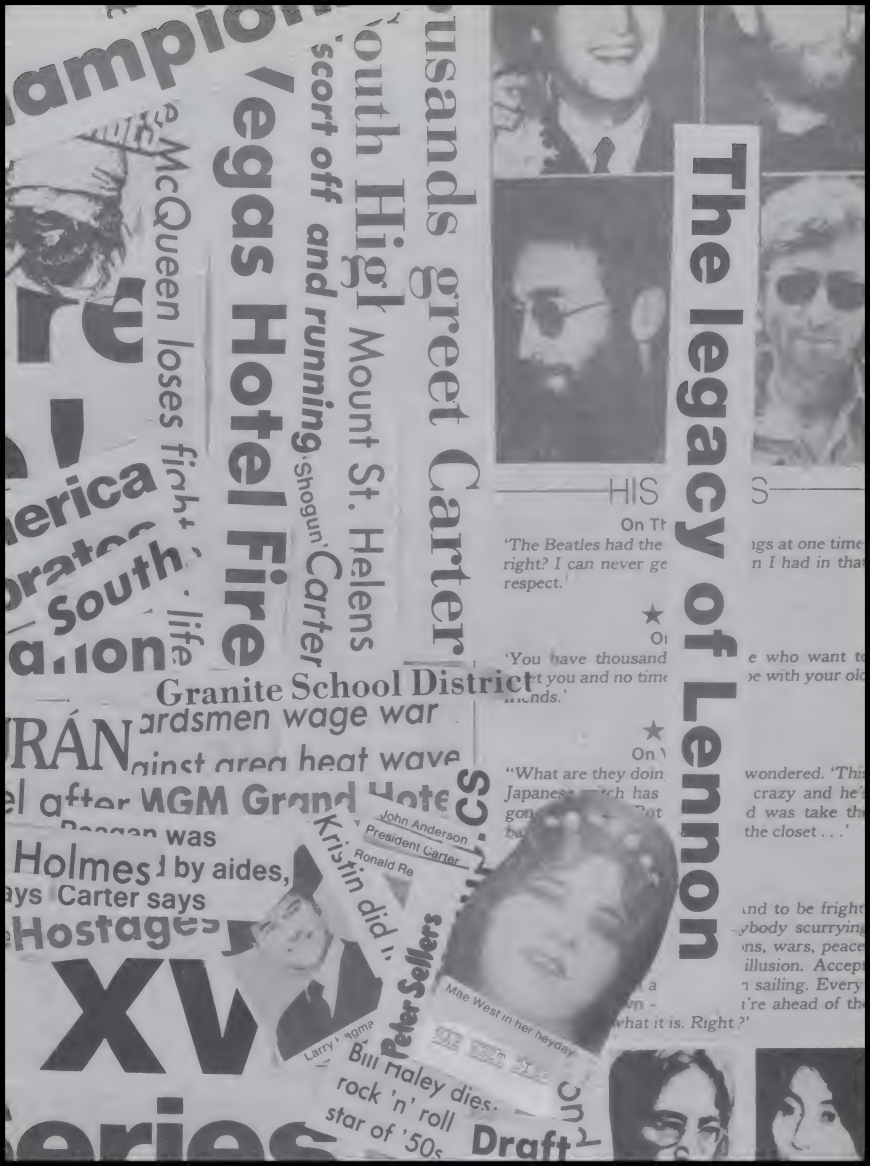

"Frankly, it's hard to believe," said assistant coach Mel Bunting. "But as we've told the players for a long time, we are the champions until someone takes it away from us."

THE GRADUATE

1

Mixed feelings of excitement and sadness filled the air as the Class of 80 marched onto the GCHS Athletic Field to begin the commencement program. The seniors took their places and patiently waited for each of their names to be announced. Words of wisdom were spoken to the seniors by Mr. Dumont, principal, Phillip Beljanski, valedictorian, and Brian Gallas, salutitorian. The moment that the seniors had been waiting for arrived when each senior was called to the podium and presented with a diploma. Screams of joy and happiness and the tossing of caps ended the ceremony. The seniors left the ceremony leaving behind friends, teachers, and momentos of themselves and taking with them only the memories of their high school days.

FIDDLER ON THE ROOF

Casting plays a vital role in the performance of a play. It was especially vital in the performance of Granite City South's musical, **Fiddler On The Roof.**

Each performer had a song and dance routine in the musical, which required many weeks of rehearsal. The rehearsal before the three performances took about eight weeks.

Beverley Scroggins directed the acting in the musical, and Mary Bright was the musical director.

The musical was performed in the auditorium April 16, 17, and 18. "The performances of the musical went very well," commented Beverley Scroggins." The students were very easy to work with," remarked Mrs. Scroggins.

Advanced stagecraft built the excellent props that became the background for the performances. "The moving of the props during the intermissions was almost a performance in itself," commented Beverley Scroggins.

The 1980 May Day was the first annual program under the direction of S.L.A.C. to honor the May Queen and the girls of the graduating class.

"It was a lot of hard work and it took a lot of practicing for everyone," said Laura Gabriel, president of S.L.A.C.

The highlight of the evening was when Laurie Ferrere crowned Ingrid Kramer the 1980 May Day Queen.

To add entertainment to the evening the Stage Band performed with the pom pon girls to "If My Friends Could See Me Now." Dances were also performed to the songs of "Roller Skate Mate," "The Rainbow Connection," "Bad Girls," and "Call Me," by different P.E. classes. They were under the direction of Linda Hill and Charolotte Charbonnier. A modern dance group danced to "Three Times a Lady," the theme of May Day, and S.L.A.C. rocked to the music of Micheal Jackson.

To close the evening Mike Hildreth sang the theme song and the traditional May Pole dance and candlelight ceremony was performed.

J.B., the 1957 Pulitzer Prize-winning play, was chosen as the 1980 Homecoming play. It was presented at South on Wednesday and Thursday, September 25th and 26th.

The play was the modern day version of the Biblical story of Job, which took place in a carnival setting. In the play Job lost everything, but was restored to grace at the end.

The play was under the direction of Ronald Pennell, head of the Speech department at South.

For a change, the Homecoming play was not a comedy. Mr. Pennell chose a drama because he liked the play and thought that a serious drama was a challenge for high school students.

Hard work and much determination went into the production of **J.B.** The cast members had been rehearsing since late summer for the two night performance.

Music for the crowning of the Homecoming queen was provided by Joseph Owens and his band. The crowning took place immediately following the play.

The 1980 Homecoming week was one to be long remembered. The week started off with the traditional bonfire and the announcing of the football team by the red pepper members. Tuesday was the Homecoming soccer game and the Warriors were victorious over the Edwardsville Tigers 1-0. Wednesday was the opening night of the Homecoming Play, **J.B.** The members of the Homecoming Court were honored after the play and Vicki Griffith and Dave Fernandez were chosen as Homecoming Queen and Escort. Other members of the court were Denise Goode, Rhonda Jackson, Chris Jenkins, Wendy Kelly, Cathy Moran, Mary Pennell, Patty Petrunich, Becky Price, Helen Royer, Lori Sanders, Susan Squires, Michelle Valencia, Pat Collins, Jeff Cotter, Mike Gitcho, Dave Hunnicutt, Don Keeling, Tom Longos, Randy Lupardus, Tom McGowan, Mike Matchett, Randy Miller, Gene Scroggins, and Pat Theis.

Tremendous amount of Homecoming spirit was shown Friday morning at the Pep Rally. The spirit lasted throughout the day. School was dismissed at 2:00 o'clock for the parade which consisted of many different floats made by homerooms and clubs. The following evening was the traditional Homecoming football game. Unfortunately the Warriors fell short to Althoff 32-12. The festivities ended with the Homecoming dance sponsored by Speech Department.

The Prom gave the guys of GCHS/S a chance to really dress up and ask their favorite girl for an evening on-the-town. The dance was sponsored by Student Council and was a tremendous success.

The Meridian Ballroom at SIU-E was decorated in pastel-colored ribbons and the theme "Colour My World" could be noticed all around.

Beautiful formal dresses were the popular mode for the girls. Guys appeared in handsome tuxedos which were gradually stripped down to just pants and shirts.

For dinner, the couples enjoyed a lavish buffet with cookies and soda available throughout the evening. The band, Bob Kuban's Brass, was the best ever, which made things even more entertaining.

All the couples received a champaigne glass inscribed with "Colour My World." Girl's also received a silk rose as a rememberance of the evening.

Many lasting relationships began with the Prom which made it a special occasion in all respects.

MARATHON MAN

The 1980 Granite City South track team had many strong members that helped to be victorious in numerous meets.

Dave Houston ran in the mile and two mile run. Many times he was a double winner. Steve Adams has been a double winner on a few occassions in pole vault and 300 low hurdles.

At the Gateway East Relays a school record was set in the distance medley. Tim Dix, Drew Geisler, Scott Abbott, and Dave Houston set the new record with a time of 10:53.3. The distance medley was not the only event in which South was strong. South took first in pole vault, high jump, discus, shot put and the two mile relay. This gave South 40 points placing second to Cahokia who placed first with 48 points. North placed third with 38 points.

Three South track men qualified for the state tourney during district at Belleville. While Dave Houston took first in the mile and qualifying for the state tourney, his time was also a new school record of 4:19.3. The record was set back in 1975 by Dwayne Terry by a time of 4:21.5.

Mike Konzen placed second in the shot put with a distance of 53.3 meters. This qualified Konzen for the state tourney. Steve Adams received second in the pole vault with a vault of 13 feet. All season Adams has been vaulting 13 feet so it was no surprise that Adams would be going to the state tourney in Charleston, Illinois at the Eastern Illinois University Campus. The three track men did well at the state tourney but unfortunately not well enough to advance to the finals. Coach Mel Bunting was happy with what they had accomplished.

This year's track scene was a little different than in the past. The girls and boys were combined to make one team. Although their meets were not held at the same time, they practiced together every night after school and cheered for each other at the meets.

Nine school records were broken this season. Freshman Trish Skinner took the honor in three events, including the 220 and 440-yard runs and the long jump. Denise Goode broke her own records in the 110 and 220-yard low hurdles.

Other records include Debbie Burnett in the one-mile run and Mary Romine in the two-mile run. The 880-medley relay record was also broken by Gina Graham, Missy Callis, Traci Conkovich, and Chris Kessler.

At the Awards Banquet, Coaches David McClain and Mel Bunting presented trophies to Trish Skinner, Chris Kessler, and Mary Romine. "These three freshmen really give the coaches something to look forward to next season," says senior Patti Petty.

The team this year consisted mainly of underclassmen. They all look forward to a good season next year with many more victories.

The 1980 Warrior tennis team brought the season to an end with an outstanding win-loss record of 16-4. The Warriors started out slowly in the beginning, but grew stronger as they went deeper into the season. They captured the titles of District champions and Gateway East champions.

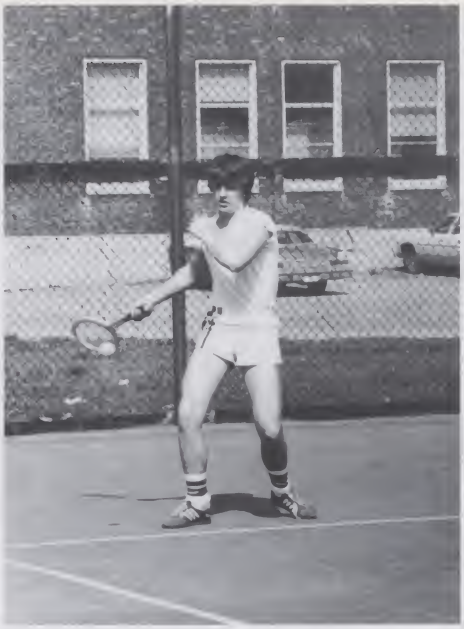

"We are looking forward to a better season next year," said Coach Richard Harmon. "All players will be returning next year with the exception of Terry Malench."

The team sent six members to state this year. Competing in singles were Tom Longos and Pat Theis. Competing in doubles were Terry Malench, John Menendez, Ed Schmulbach and George Sykes. "All of the team members performed well," commented Coach Harmon.

The record for straight wins in a row is 32. This year the team finished the season with 13 straight wins.

The 1980 Softball team was coached by Pat Yates. They compiled a 12-8 record.

Karen Spencer was the outstanding pitcher. Betty Bulva, Joyce Hughes, and Karen Macios were the only seniors on the team. Natalie Buster and Tina Sedabres were also noted as outstanding players. The teams victories included defeating defending state champions—Cahokia.

"We surprised many teams this year," said Pat Yates, "We were better than anticipated; we had everything together."

The team wasn't looking for honor and prestige; they played ball because they liked the sport. Without the pressure that is so often put on boy's teams, the girls were able to really have fun enjoying the competition.

WINNING SEASON

4

5

6

Even though baseball requires more individualistic efforts than team sports, such as football or basketball, the team still must function as one. The team and the coach must all crave the taste of victory and work for the goal of being the best.

The 1980 baseball team had approximately 25 players and 34 games to play. The managers and statisticians, with the aid of Coach Champion gave the team strength to keep on winning.

While the game was in session, each baseball player kept mentally sharp to ignore the "chatter" from the opposition or the fans. Once his train of concentration was interrupted, he lost his thought and errors occurred.

GCHS/South had a 13-21 record for the season. All in all, the baseball team set a winning pattern for the year.

"Mr. Champion was one of the better coaches in the area and he has not only helped us with baseball but has helped us grow up," said Warrior baseball captain Kevin Sykes.

This was Coach Conrad "Babe" Champion last year, helping players play baseball and grow up. Instead he will be helping players to the Philadelphia Phillies farm clubs.

"It is not definite that I will be scouting full time," said Coach Champion. "I plan to teach, but I won't be coaching," added Champion.

If they approve of Coach Champion's eye for baseball players, he may become a main stay on the Phillies staff.

Coach Champion will leave a very impressive record behind. He has won over 100 games as Warrior mentor.

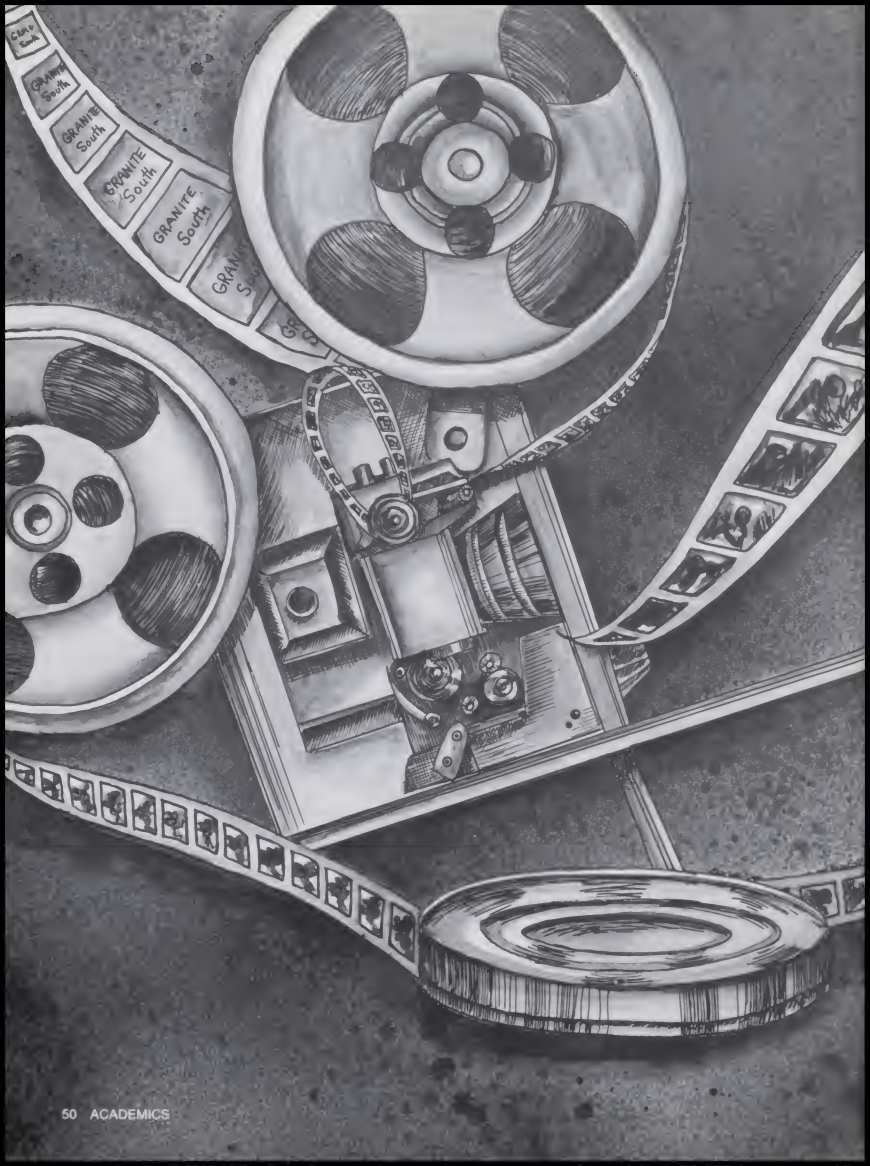

"We have carried on a good tradition here at South and I am sure Mr. Modica, Mr. Patton, Mr. McKechan and Mr. Wojick know the ropes well enough to carry on," said Coach Champion of his coaching companions.

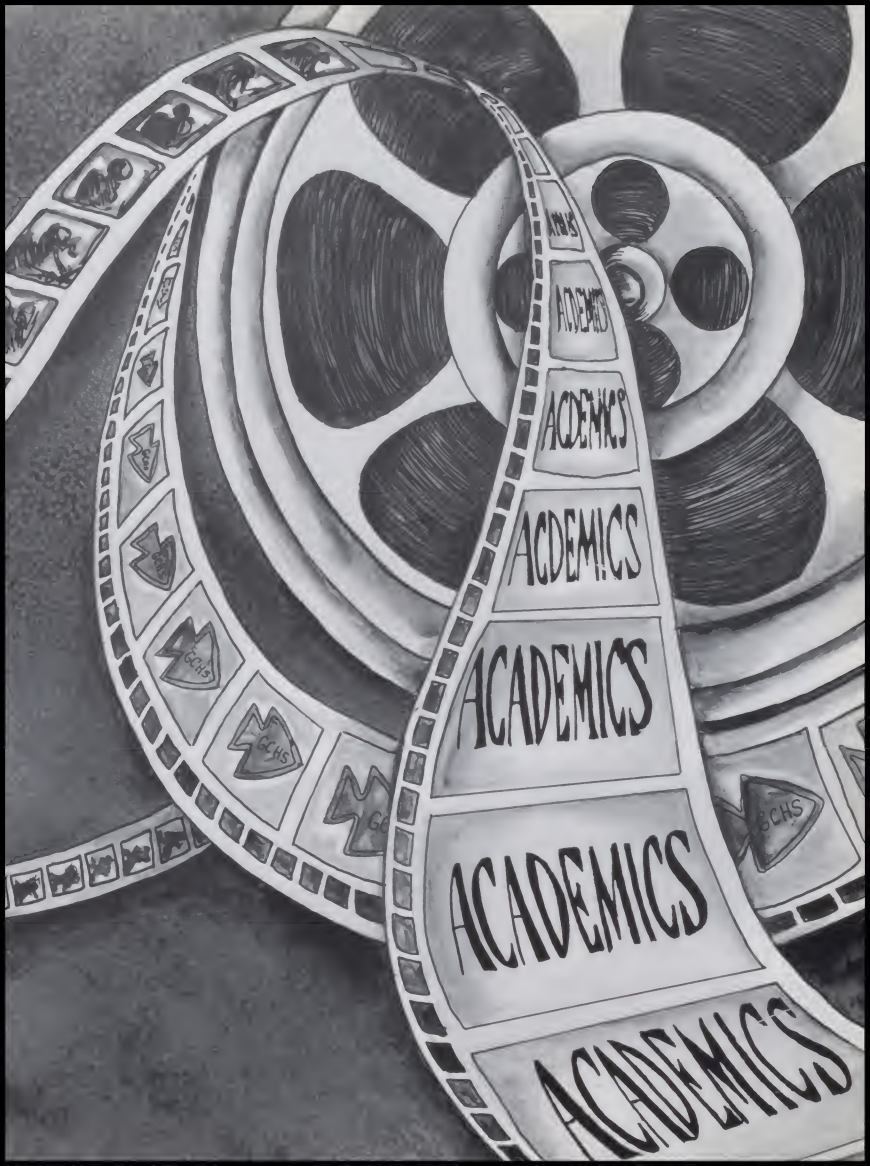

Coach Champion says that young ball players will need arm strength to play the game today. "You never know about players today. They might be hustlers, but not have a good team attitude," said Coach Champion.

Coach Champion points to the Philadelphia Phillies style sheet on how to find a well-rounded baseball player. "The Phillies expect power, and good hands. More important are the qualities that cannot be seen, such as desire, intelligence, stomach and heart to play the game." he concludes.

Students interested in learning the aspects of communication find Oral Communications, a required course for Sophomores, very beneficial.

Students enrolled in Oral Communications were taught the values of communication, as well as the techniques used in effective communication. Various class assignments included impromptu speeches, a demonstration speech, a persuasive speech, and an informative speech. Students were also assigned to do a notebook, composed of their thoughts and feelings. The Oral Communication students were also responsible for performing the Follies.

Individual Events is a class taught by Speech department head, Ronald Pennell. Its main purpose is to give interested students the chance to perform advanced speech techniques, such as: duet acting, prose reading, and various speech assignments.

Individual Events students often compete in several speech contests throughout the year.

Any GCHS-South student is allowed to enroll in Individual Events provided they have passed Oral Communications, and have obtained a permit from Ronald Pennell.

TALK OF THE TOWN

Sprechen Sie Deutsch? Habla Espanol? Do you speak a foreign language? Many students at South learn to speak a foreign language by taking a language as one of their electives. This year Spanish and German were offered. Half-hour Spanish and German conversation classes were also offered in place of half-hour lunch study periods. The conversation classes are designed to introduce and familiarize the students with the language, while the hour classes teach the students correct sentence structure, verb forms and grammar.

Students enrolled in the hour language classes have the privilege of using the language lab. In the language lab the students sit in individual cubicles with a pair of headphones. The students listen to a tape and then repeat what they hear. This listening and repeating process enables the students to become more proficient in their language skills.

Whether taking a language as a requirement or simply for enjoyment it's an enriching experience which will hopefully be beneficial in later life.

Muriel Kratz watches to make sure one of her students writes the correct answer on the board. 6. Students listen as John Sellmeyer reviews their Spanish homework. 7. John Sellmeyer gives points to the students for class participation. 8. Larry Cornett participates in class to gain more points. 9. Tammy Legett adjusts her headphones so she can hear the speaker on the tapes easier.

Every student is required to have six semesters of physical education in order to graduate. Freshmen do not have a choice of what class they want to take, but as a Sophomore they get to choose second after Juniors and Seniors. There was a new requirement this year for Seniors to take social dance.

In P.E. there are many types of activities in which you can participate. There is a choice of taking a team, one-on-one, or individual sport. Some team sports are football, soccer, field hockey and volleyball. Other activities in which you can partake in are ping-pong, archery, badminton and weight training. There are some co-ed classes which the boys and girls can compete together in tennis, volleyball, and track.

Most of the P.E. classes have a dress code. Girls are to wear a maroon and white suit and boys are to wear red shorts with a white shirt. There is an exception this year for the dress code. The Senior social dance class has to change into tennis shoes.

1. Randy Cann leads Sabin Thompson in their social dance class. 2. The girls prepare their arrows for use. 3. The football team schemes up a plan for the defending team. 4. Don Deterding's students enjoy jogging in their physical education class. 5. The archery class is eagerly awaiting the word "Fire!" 6. Anita and Angela Durborrow race to the finish line. 7. Bob Nikonowicz aims to hit the center of the target. 8. Armand Kachigian and Mary Metcalf display their dance ability

Graphic Arts is designed to introduce students to the basic theory of lithography, prepress procudures, press operations, and postpress procedures. This applies to photography as it applies to graphic arts. This course gives an overview of the graphic arts industry and related jobs and prepares the student for entry to Vocational Graphic Arts. It has a concentration in the printing industry. Instruction is provided in industrial safety, stencil preparation and duplication equipment operation.

Graphic arts provides the student with learning experiences in typographical layout and design. These students meet two hours a day, five days a week to further their knowledge in Vocational Graphic Arts. The graphic arts students explained that as a result of this class they gain printing experience at an early age.

Alice Speigal, Paula Lambert, and Gay Wright model their finished products. 9. Michele Lombardi fits her lining to the jacket. 10. Peggy Flinn and Traci Morelock pin it up for the final hem.

6

Clothing classes began the 1980-81 school year in style. Beginning clothing classes taught by Donna Brown began this year with the students learning how to use the sewing machine and skill development, only to tackle collars, buttons, and sleeves with the final project to be a blouse.

Advanced clothing classes, taught by Ella Reynolds, began by the students choosing lined or unlined jackets or lined heavy coats as their first project. Next, they will knit away on a knit project in the dress line. A wardrobe filler is also required in advanced clothing. This is where the students sew for another person. Many of the students sew and wear the finished product which they put much effort into completing. Clothing classes are very beneficial to all that learn the skill and patience of clothing.

The senior officers of the class of 1981 were Rich Miller, president; Kathy Feigl, vice-president; Natalie Buster, secretary; and Marsha Curtis, treasurer.

Besides being senior class president, Rich was also an active member of Student Council. Along with being on the varsity wrestling team, Rich holds the position of Demolay Master Councilor at the Masonic Temple.

Kathy Feigl was active in Red Peppers and SLAC. Kathy played on the girls' basketball team and fast pitch softball team since her Freshman year.

Along with Feigl, Natalie Buster was a member of the basketball team and fast pitch softball team since her Freshman year. She's also a member of SLAC and Red Peppers. Natalie has held her position as secretary for three years.

Marsha Curtis, a member of Red Peppers and the Speech and Theater Club, was disappointed that her Senior year passed by so quickly. Marsha's most memorable experience this year was attending soccer state.

In years to come when we, the Class of 81, look back on our senior year in high school we will not only remember the best of times with our friends, we will also remember the national events which changed the country.

Perhaps the one event that will affect our lives the most is the election of a new president, Republican Ronald Reagan. As young adults stepping out into the world on our own for the first time, we will be faced with many of the same problems that face President Reagan. Some of these problems are the high unemployment rate, inflation, the threat of war, high cost of living and high cost of education. Will we be able to find a job upon graduation and if not will we be able to meet the costs of an education?

Faced with these problems we will be forced to make important decisions. We can only hope that we will make the right decisions and that these decisions benefit us in the years to come.

This year the senior class chose David Fernandez and Chris Boyd as Class Athletes.

Boyd has been very active in athletics since her Freshmen year. As a Freshmen Chris went out for volleyball, basketball and track. In her Sophomore year, however, she switched from the track team to the fast-pitch softball team. This year she led the volleyball team to the District Championship. Along with being a well-rounded athlete, Chris also has a good academic record. Chris was offered scholarships at Mizzou and Carbondale.

Fernandez, a member of the varsity soccer team for the past four years also played on the baseball team during his Freshmen and Sophomore years. Last year David was chosen for the Parade Magazine All American Soccer Team and chosen to participate in the National Youth Festival held in Colorado Springs, Colorado. On top of all these honors, David was drafted by the San Diego professional soccer team this winter.

The Junior class officers of 1981 were Angie Griffith, Sandy Mendoza, Nancy Griffith, and Jane Lee.

Besides being the class president Angie Griffith also belonged to Red Peppers and Student Council.

Outside of school Sandy Mendoza's interest are in body building and riding motorcycles.

Nancy Griffith is interested in helping others. She has been active as a candy striper, for some time.

Among her many activities Jane Lee has enjoyed being a part of Red Peppers and working at National Supermarket.

THE RAT RACE

An excellent means for students interested in learning the different aspects of business is to enroll in one of the many business courses taught here at GCHS/South.

South is lucky to have a wide variety of business courses. Students have the choice of enrolling in such classes as Introduction to Business, Typing, Shorthand, Business Law, Office Machines, and the newiest at South is Computer Principles.

It is the goal of the business department, under the direction of the department head, Joseph Hanson, to teach the student basic techniques such as typing, shorthand, and the use of office machines, so they will have the necessary information to function in the business world upon their graduation. Through the years business courses have remained very popular with the students.

Of all the subjects taught at South, Health is the only one that the Illinois Government requires you take and pass before being allowed to graduate. South has made Health a required subject for juniors, and allow it to be taken in place of Physical Education.

Students enrolled in Health study body dynamics, human growth and development, Ecology, mental health, and emergency first aid. Students are also instructed on drugs and various diseases. Health instructors at South are: Ruth Noeth, Greg Patton, and Leonard Lybarger.

1. Angela Grupas aids Ruth Noeth in the discussion of body organs at Open House. 2. Lisa Nelson watches as her partner views through the microscope 3. As usual, Traci Conkovich happens to find herself in front of the camera. Traci remarked that she loves having her picture taken. 4. Angela Grupas places the human organs in the correct position.

PROFESSIONALS

2

The sophomore Class Officers for the 1980-81 school year are President, Pam Rutledge; Vice-President, Jim Crews; Secretary, Laura Shanks; and Treasurer, Kathy Nikonowicz.

Pam Rutledge was elected by her class as President, but she is also involved in other activities such as Pom Pon and field hockey. Her interests also lie in drafting and architecture.

Jim Crews also has his interests in other school activities besides student council. These include guitar and soccer. Jim stated that one of his most memorable experiences this year was the State Soccer Tournament in Palatine, Illinois. This feeling of a memorable experience was also shared by Laura Shanks.

Laura Shanks is also involved in secretarial classes at G.C.H.S. South along with Pom Pon, in which she won Grand Championship award at Pom Pon camp.

Kathy Niconowicz is a Junior-Varsity cheerleader for wrestling and basketball this year. Kathy said she enjoys this very much.

All of the class officers represent their class as well as their school in the best way possible and they enjoy doing so.

SPEEDWAY

Each year Sophomores and Juniors are required to take Drivers Safety and Drivers Training. Students are required to take these courses, however, they do not have to pass them to graduate. Each course runs for a nine week period. Driver Safety consists of learning traffic signs, signals, markings, and laws. Students also learn how to react to traffic accidents along with driving in hazardous conditions such as snow, ice, and rain.

Drivers Training consists of two days of simulation alternating with two days of behind the wheel driving. In simulation, students sit in a model car and drive to scenes which are projected onto a screen in front of them. They drive in the city, on the highway, in snow, rain, and learn to react to hazards such as hood pop ups, brake failures and children running out in front of them.

The class officers for the Freshmen were Chris Ballhorn, president; Randy Markarian, vice-president; Danny McCommis, treasurer; and Todd Miller, secretary.

As well as being president of her class, Chris Ballhorn enjoys Biology. She was in Student Council and in her spare time she plays the piano.

The Freshmen vice-president, Randy Markarian, was on the South Cross Country team. In Cross Country he received his class numerals of which he was very proud. When he had extra time to spare, he played football with his friends.

Danny McCommis is a very active person. He belongs to the Social Studies Club, Band and Student Council. His most memorable experience this year was Homecoming week and the meaning behind it.

Todd Miller belongs to the Social Studies Club, Photography, Band and Student Council. His favorite classes are Algebra and Biology, and in his spare time he likes to go bowling.

As the semesters change, the days seem so long until you get used to your classes. Everyone is either all fired up and ready to do something, or they are just sitting in their seat yawning. Each person would take their turn looking at the clock to see how many minutes and seconds they have left in their class. It would be a countdown.

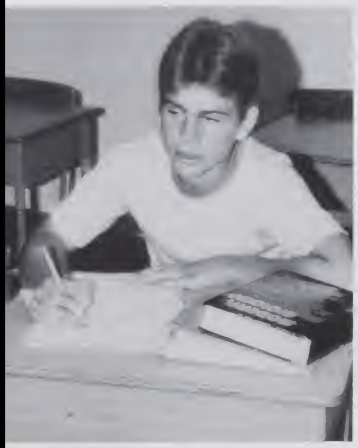

As the bell rings, everyone goes out of the room quickly. During the break everyone visits their friends. Usually the halls are very crowded. When you go from one part of the school to the opposite side, in reaching class, the process starts over again during the next hour.

1. Danny Hull looks amazed at the camera's bright flash. 2. Mary Ortiz takes a break during her class work. 3. Rich Zabawa is eagerly awaiting the tone of the bell.

THE LITTLEST WARRIOR

You can always notice a Frreshman as soon as they walk in the school the first day. Each one of them have nice and new clothes on with brand new supplies. They look around the halls in awe. Most of them are nervous, and not sure of what to say or do. They cannot believe the people and the crowded halls. The upper classmen try to sell them elevator and swimming passes, but most of them use their common sense. The Freshmen would walk down the halls, trying to get situated with a place in which they will be spending most of their time for the next four years. Each Freshmen meets new people and soon they become good friends for a long time. They usually keep this friendship from their Freshmen year until they are Seniors.

GREAT GUY

4

5

6

7

When you see a soccer ball do you automatically think of Gene Baker, or does it take a trophy or a crown to do the trick? There's nothing I can say about Coach Baker thats not already been said. Some people may not know that he's an English teacher here at South and has been for the past eight years. "I like teaching," he stated, "or I wouldn't be doing it." Prior to his coming to Granite City, he taught at Riverview Gardens High School where he began his teaching career.

Mr. Baker has been playing soccer since he was five years old. He attended High School at Christian Brothers College. While in high school, he played Basketball for C.B.C. and soccer in a outside program. He began playing soccer seriously when he was attending St. Louis University in 1965. He helped lead S.L.U. to the National Collegiate Athletic Association Title. While at S.L.U., he attained his Bachelors degree and then went to University of Missouri, St. Louis and received his Masters degree.

Baker has good rapport with different levels of athletes: intellectually and socially, as well as physically.

Coach enjoys hearing compliments about his soccer players. He particularly likes hearing that his boys are well disciplined. He feels friendship plays a very important part in a Coach-Player relationship. One of Bakers players commented, "Mr. Baker is a super coach and a good friend. Besides helping me with my soccer skills, he has helped me, along with many others, in receiving scholarships from colleges in different parts of the Country."

When Gene Baker is not coaching or teaching, he enjoys playing racquetball and watching his three children participate in sports.

THE SWINGERS

1

The 1980 Girls' Tennis Team began practicing the last week in August. Together with tennis coach Gary Morgan they set some important goals for the season. Not all of the goals were accomplished, however Coach Morgan felt that the team improved a great deal as the season progressed. The team compiled a record of six wins and eight losses. Coach Morgan felt that this record did not reflect the teams ability. "I thought the girls lost some tough matches which really could have gone either way," stated Coach Morgan. The team did, however beat North two times which helped to make up for some of the tougher losses.

Senior Susan Squires was awarded the Most Valuable Player trophy at the end of the season. She also qualified for the State Tennis Tournament in singles by taking Third Place in the District Tournament. The doubles team of Joan Boker and Wendy Kelly were not quite as fortunate. They were upset in the quarterfinals of the District Tournament.

A great deal of hard work and dedication was exhibited by every member of the team. The final results were not as the girls would've liked but the team agreed that the season was a learning experience and a good time was had by all.

RUNNING

"The South Harriers had an overall good season," said Coach Harmon. The boys and girls teams ran together this year, with Charlotte Charbonnier mainly coaching the girls and Richard Harmon the boys. The team finished fourth in the districts with Mary Romine placing ninth and Mary Bisch placing seventh. The Harriers finished eleventh in the sectionals and retained the conference title for the fifth consecutive year.

Jeff Taylor had the overall best record for the boys, but for the girls, the best couldn't be determined. It was a toss-up between Mary Bisch and Mary Romine. Seven boys lettered this year. They are: Jeff Taylor, Drew Geisler, Jim McQuaide, Dave McClain, Ron Brown, Steve Dumont, and Brian Pithers. They received letters by being the top seven runners. Jeff Taylor, Drew Geisler, and Fran Scotti are graduating seniors, and they will be greatly missed. In spite of this, Coach Harmon is looking forward to another winning year next year. Fran has been running with the team for two years, and although she didn't rank as high as Mary Romine or Mary Bisch, Coach Charbonnier said that she was their most improved runner. Coach Harmon commented, "We had a good team balance. There was only a twenty second difference between the first and the sixth runners."

WILD SEASON

1

The Lady Warriors returned seven seniors for an experienced club as the team dominated play in the Gateway East Conference. The seniors who contributed to the Warriors winning season were Chris Boyd, Nita Graham, Terri Schuler, Kathy Sikora, Kathy Feigl, Natalie Buster, and Susan Jefferies. Mr. Gary Morgan coached the Lady Warriors to the conference championship for the second year in a row. Playing at Keel auditorium was the highlight of the season as the Warriors posted a one point victory in overtime over Triad. Seeing action with the Varsity Warriors were Junior-Varsity players Trish Skinner, Susan Schnefke, Nancy Jones, Theresa Gwasdac, Jennifer Robinson, Jackie Sutton, Vickie Smith, Crystal Nance, and Cathy Juhasz. Mr. Bill Koenig coached the Junior-Varsity squad in a rebuilding year. G.C. South is very proud of its Lady Warrior Basketball team and their outstanding 1980-81 season. Mr. Morgan and Mr. Koenig are hoping for a duplicate season next year.

SHOOT OUT

5

The 1980-81 Warrior Basketball team started the season playing at Mt. Vernon in the Mt. Vernon Turkey Classic. Their first rally was against their host Mt. Vernon to whom they were outscored 58-82, despite Ken McManus's 14 points. Next, the Warriors were to face the tough Lincoln school in which they met defeat 40-57. As the final game concluded the Turkey Classic, South tackled Kankakee Westview and gracefully accepted their third defeat 50-68.

The Warriors then came home to face Belleville Althoff and Belleville West to whom they were overpowered 64-67 and 48-62. Next, the cagers traveled to Wood River where they were outscored 40-53, with George Sykes scoring 14 points. Coming home the cagers lost their next two games, first against Edwardsville 77-95, with George Sykes scoring 17 points; then Cahokia 56-78 with George Sykes again leading the score with 21 points.

The Wood River tournament was next on the schedule for the Warrior cagers with their first game against Decatur Lakeview where they put up a good battled but were finally out-maneuvered 63-66 with Joe Schnefke scoring 19 points. Then on to the second game against Roxana where the Warriors captured their first victory for the season 64-43 with the help of Eric Waltenbergers 18 points for the game. The Warriors went on to win the next game against Southwestern 54-52 with George Sykes scoring 21 points. Bringing home two wins and one loss for the tournament.

The next two games for the Warriors were away where they conquered Roxana 82-57, Waltenberger scoring 17 points, but then the Warriors accepted defeat to Cahokia 53-82, with Ken McManus and Eric Waltenberger each attaining 14 points.

Finally the Warriors were to meet their crosstown Rivals, North. The Warriors proved their superiority and triumphed with an 82-67 victory, George Sykes scoring 26 points in the game.

With the tremendous help of Eric Waltenberger's 26 points and Ken McManus's 20 points the Warrior Cagers won their next game against Alton 80-75. Then it was on the road to Triad where the Warriors received a loss of 61-67 despite Eric Waltenbergers 20 points. The results from the Althoff game were similar with a 74-79 loss, despite the 30 points drilled out by Kenny McManus.

Returning to their home court the Warrior Cagers were defeated by Mascoutah 67-83, George Sykes scoring 18 points.

Due to an early deadline, the Warrior Cagers last four games are not given.

A SMASHING TIME

1

The volleyball team ended the season with 15 wins and 10 losses. The team, coached by Wilma Schultze and assistant coach Cynthia Hormell, went far this year, with missing the chance to attend the state games by one game.

During the season the volleyball team took third place in the Belleville West Invitationals and third place in the Collinsville Round Robin Tournament. From there, they went to play in the district games held at East St. Louis Lincoln. There the team triumphed over East St. Louis Seniors and East St. Louis Lincoln. Advancing to the Sectional games held at Collinsville, the Warrior volleyball team ended its fine season. After beating Wood River in the semi-finals the Warriors lost to Belleville Althoff. Although the team was disappointed in not advancing to the state games, the over-all season was looked upon with having many accomplishments.

The Warrior Wrestling team won the Holiday tournament, Districts tournament and finished the 1980-81 season with an excellent 21-1 win-loss record.

At the beginning of the season, with crushing scores such as 61-3 against Centralia, 50-11 against Decatur and 50-9 against Parkway North, the Warriors were on their way to victory with everyone wrestling well.

Francis Howell was the only school that defeated the Wrestling Warriors throughout the entire season. Three of the upper six weight classes lost their matches, but put up an extremely well fought fight. The Warriors then proceeded to conquer Normandy, Belleville East and Rich Woods.

Randy Taylor, returning state champion, pinned everyone he wrestled until a match at Pekin where he wrestled Warrior Doug Graham, who gave up 65 pounds and lost 7-1, but was not pinned. Later Taylor was also unable to pin Keith Cruise of Cahokia.

In the next meet, the Warriors proudly defeated Belleville West for the first time in five years. The Warriors left Parkway West, Hazelwood Central and Roxana in victory. At Roxana, Mike Turgovich lost a match to his opponent after receiving a blow to the nose, causing temporary loss of sight. With little trouble, the Warriors went on to defeat Linburg, Cahokia, Columbia Hickman, McClure North and Quincy.

North, the Warrior crosstown rivals, were defeated 34-15. Greg Garland came back to defeat Steeler Steve Smith after being previously defeated by Smith at the Holiday tournament. The Warriors ended the season by stomping Althoff 54-7, making their record 21-1.

The Holiday tournament held at South was won by the Warriors, producing three champions; Jim Frangoulis, Tom McElroy and for the fourth Holiday victory in a row, Dean Perkins. "Everyone wrestled up to his potential at the Holiday tournament," commented Jim Frangoulis.

The Warriors won the District tournament for the twenty-fourth time in a row, leaving with eight champions and a second place winner.

The varsity football Warriors had a very rough season this year finishing it with a 0 and 9 win-loss record. Members of the team practiced at least two hours every night after school. The first two weeks of the season the team practiced twice a day, six days a week, in preparation of the up-coming games.

The Warriors as in the past, played quite well against the cross-town rivals, Granite City North. They also played well in the annual Homecoming game against Belleville Althoff. In the last game of the season against Alton, the Warriors performed well with the offense gaining over 200 yards.

The team had many problems this year. They were plagued with mistakes and injuries. Before the season started there were two big question marks as to who would fill the positions of quarterback and defense. Throughout most of the season the offense was just not able to move the ball, and the defense just did not have enough power to keep their opponents from scoring. "Our attitude killed us," said Jeff Cotter when asked what the major problem was. Depth was not an asset to the Warrior football team this year, since many players had to play both offense and defense.

The team was under the head coaching of Stan Wojcik, and led by team captains Jeff Cotter, Mark Clark and Mark Marsh.

At the awards banquet at the end of the season, outstanding players were given trophies. Most valuable defense player was awarded to Jeff Cotter. Mark Clark was awarded most valuable offense player, while the most valuable sophomore was quarterback John Linhart. The Chris Marcauskey award for most valuable freshmen went to Tom Adamitis and Jeff Hoese.

This year the girls field hockey team composed a 1-9-1 win, loss, tie record. The girls had hoped for a better record, however Miss Mitchell, Coach, felt the girls played up to their capabilities. There were twenty-four girls out for the team this year and Miss Mitchell thought they all put forth a good effort. Many of the Illinois High Schools Field Hockey programs have been discontinued, therefore South has to travel pretty far north for most of their games.

At the end of the season the players were honored at a banquet. Faye Wills received the award for best stick handler and Gay Wright was awarded most improved player during the season. "I feel the teams attitude and turn-out would be much better if the team wasn't threatened with being discontinued," said Miss Mitchell. "With this threat facing the team, I think a good deal of underclassmen see no future in the sport and therefore fail to come out."

The golf team this year had a pretty good year all around. A good team moral and a winning spirit helped the team to a winning season. Because of this, two of the teams strongest members, Larry Holder and Todd Burns, went to sectionals with the team behind them all the way. Next year, the golf team will be handicapped because Todd Burns and Paul Zimmer are graduating seniors. However, with new freshmen and others moving up, Coach Chaney will make some of these people good enough to fill Burn's and Zimmer's vacancies. Returning members of the team are; Larry Holder, Ken Rapp, Jim Wickman, Rick Bicanic, Gary Brown, and returning freshemen.

Granite City South's hockey team completed it's third year this year. With three games left to play, their record is four wins, nine losses, and five ties. Team member Mike Hassler commented that "this has been the best year that the team has had, and they keep getting better every year." The team feels that they are becoming better because each year the members of the team work together better, and they are beginning to understand how their team members think during a game. Head coach Harold Dix and assistant coach Jake Hintersir are looking forward to another good season next year. Gary Brown has led the team in the number of goals scored and will be returning next year to try to make a better average. The boys who play hockey are to be commended on their interest in this sport. Although it is considered a high school sport, they must provide their own uniforms and equipment, as well as their own transportation to and from games.

This year proved to be very exciting for the Soccer Warriors. The Warriors who finished with a 26-2-1 record accomplished many things that no other Granite City teams had been able to do. As if winning the Gateway East Conference and capturing the CYC Tournament wasn't enough, the Warriors went on to win their 5th consecutive Illinois State Championship.

The road to Palatine was not an easy one, but the Warriors endured and came out on top. The Warriors first opponent in sub-sectionals was undefeated Alton Marquette. The Warriors started out slow, and the first half was scoreless. Then Dave Fernandez dazzled the opponents with his talents and scored three goals for the Warriors in the second half. Joey Lemaster, goalie, stopped all of Alton Marquettes shots and registered his first shut out for the tournament. The Warriors sent Alton Marquette home with a 3-0 loss.

Granite City North was the Warriors next opponent. South had already defeated North twice this season; however, this game was a thriller. Dave Fernandez again came through for the Warriors and scored. This 1-0 victory over the North Steelers advanced the Warriors to the Sectional Tournament.

The sectional opener featured a Collinsville South rematch. Earlier in the season the Kahoks had defeated South, however, the Warriors knew they had to win this time, and that is exactly what they did. The Warriors defeated the Kahoks 2-0, with goals scored by Tim Dix and David Fernandez.

The championship game of the Sectional Tournament matched South up against Quincy, a team beaten by South earlier in the season. Quincy again fell to South 2-0, with goals scored by Tony Segobiono and Dave Fernandez. Warriors were now on their way to Palatine.

Wheaton Central was Souths first opponent in the Illinois State Soccer Tournament. South had a tough time with Wheaton in the first part of the game, however, the Warriors soon got down to business and defeated Wheaton 4-0. Sophomore Tony Segobiono started off the scoring which was followed by goals from Rich Moore, David Fernandez and Eric Waltenberger.

The Warriors next game against Bowen proved to be more difficult. Bowen scored first in the second quarter and held their lead until Fernandez scored his twenty-seventh goal of the season. It was 1-1 after regulation play and it stayed that way through twenty minutes of overtime. Forced to go to the best-of-five penalty kicks to decide the game, South withstood the pressure as Fernandez, Jim Brewer, David Paz, and Robbie Mann all made their attempts. Lemaster blocked two of Bowens attempts, which advanced South to the championship game.

The Warriors defeated Hinsdale South 5-1 in the title match which proved to be one of the most lopsided games in tournament history. South got on the boards early when David Paz scored on a penalty kick. Don Cook came through for the Warriors early in the second half with an assisted goal. Hinsdale came back to score which left the score 2-1 at halftime. After halftime the Warriors came back totally dominating the game. Rich Moore, Don Cook, and Tony Segobiono each scored to wrap up the Fifth Straight State Championship for the Warriors.

"We've got a nice tradition going here," said Baker, whose 5 state championship teams have compiled a 123-13-11 record. "Everybody guns for us because we're the champions. But believe me, the tough competition only makes us stronger."

THE BIG SHOW

Other than winning their fifth straight State Championship, the soccer Warriors accomplished another feat that no other Illinois team has been able to do. The kickers traveled across the river and locked horns with the St. Louis powerhouse, and accompanying them was the first place trophy from the prestigous CYC Tournament.

South's first opponent was a team from University City. The Warriors weren't five minutes into the game when they found themselves behind 1-0, but they refused to be eliminated this early. After Dave Fernandez scored two goals, the Warriors made light work of U-City beating them 5-1. Robbie Mann, Don Cook and Nathan Crane also scored for South as the Warriors were off to round two.

South's second game was third seeded Vianney. Late in the first half Don Cook scored. Now all the Warriors had to do was hold on to their lead. The Dragons outshot the Warriors, however Lemaster and company shut them down and South headed for the semi finals.

In the semi's the Warriors met rough and tough Duborg. This proved to be the most exciting game of the tournament. After 80 minutes of play the score was tied at one a piece. After four overtime periods still no goals were scored. This meant five penalty kicks would be taken by each team. This was still not enough to break the tie. Then the two teams went to sudden death penalty kicks where the first team to miss a kick would lose. Robbie Mann and Billy Hency both made their shots for South. Then Joe Lemaster saved the game by stopping Duborg's next shot. The Warriors had kicked their way into the finals.

The Warriors were fired up as they faced the Dragons from St. Mary's for the championship. In the second half Tim Dix scored. Rich Moore put the icing on the cake and the tournament with a goal off a corner kick from Segabiano.

After the game and the excitement was over, Granite City took the glamorous trophy from the huge hands of St. Louis and carried it back to their small town on the east side of the river.

Under the direction of Coach Mel Bunting the 1980 JV Soccer Team compiled an impressive 12-2-2 record. Much of the credit can be given to the teams strong defense which was led by sweeper Tim O'Shea. John Menedez, Jim Gibson, Phil Dudak and Jim Crews also played important roles in guarding the goal. Brian Willis, goalie, registered ten shutouts. Phil Popmarkoff, known to his teammates as Brother, led the team in scoring with a total of ten goals. Willis, along with relief goalies Brian Dodson, Jon McGowan and John Veiser held their opponents to 4 goals while the Warriors scored 54.

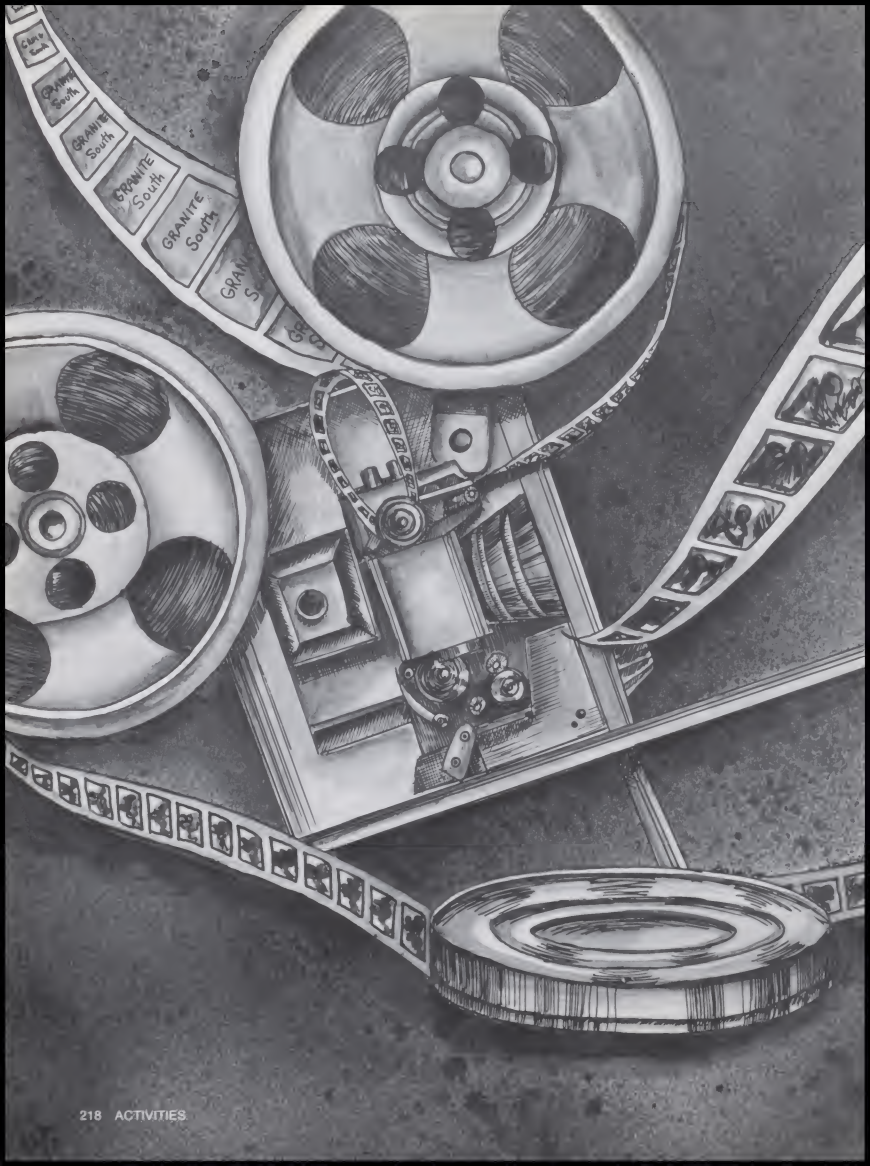

The teams highlight was defeating Granite North 2-0. The team also played a good game against Rosary, a St. Louis powerhouse. The Warriors dropped the game however 2-1. Sophomore Fritz Brewer came through with the goal for South.

Coach Bunting was proud of the team and enjoyed the season. The team devoted much time and effort and they are looking forward to next year. Varsity coach Gene Baker is confident that this year's JV will be able to replace the retiring seniors on the varsity team.

Cheerleaders are very important to Granit City South athletic events. Each girl must have a good average and be at all the games and practices. This year there were new requirements in trying out for cheerleading. They had to show their creativity in making up their own words and actions to a cheer, a jump and a group cheer. The judges looked for girls with pep and spirit.

Gregory Patton and Beverly Frazier sponsored the girls. Their job was to watch and help the girls during practice with cheers and attend the sporting events.

THE SPIRIT IS WILLING

Red Peppers did a really good job in promoting school spirit. They met during the summer to get good ideas to keep people interested in the club. They do a lot of different things to encourage the athletes to strive for their goal.

They plan pep rallies and choose secret pals. Secret pal week is when a team plays our rival North. During this week the athletes receive candy, cookies, and cakes. The girls put up signs all over the hall to help lead the teams to victory. The Board came up with a good idea of selling Red Pepper shirts. On a day of a very important game, everyone would wear their shirts to show the other schools our spirit. The Sunday before Homecoming week the members gathered in the school with streamers, paint, and paper. They decorated the main halls to get spirit flowing for a very exciting week.

The club meets on Monday for decorations and on Wednesday for a business meeting. Each member receives points for the different things they do. The meetings are run by President Jane Geggus and Sponsor Don Deterding.

The Granite South Lettermen are a vigorous group who try to attain a certain amount of money for a field trip at the end of the year. To earn this money they sell a lot of sausage and cheese and perform at a donkey basketball game. Every year at the game the South and North teachers and Lettermen compete against one another.

The officers of the club include Dave Fernandez, president; Scott Buhmann, vice-president; Jim Brewer, secretary; Tim Dix, secretary; and Greg Patton, sponsor.

SLAC is a very important club to Granite South High School. The girls in the club organize and put together ideas for May Day. This is a big responsibility given to the girls.

The club invited the Lettermen for an open gym in which they played different kinds of games. They went on a hayride, made money from a concession stand at volleyball games and many more activities.

The girls meet on Thursday mornings at 7:40. Officers of the club include Chris Boyd, president; Traci Conkovich and Susan Jeffries, vice-presidents; Julie DeRuntz, secretary; Wendy Kelly, treasurer; and Charlotte Charbonnier, sponsor.

THAT'S ENTERTAINMENT

Planning Homecoming week is the highlight of the year for the Speech and Theatre Club. This club is responsible for the activities during this time, which includes selling shakers and buttons, choosing the band for the Homecoming dance, scheduling the night for the bonfire, organizing the parade, and most of all, selecting the theme for the Homecoming week.

In addition, Speech and Theatre Club officers judge the follies and award the winning class a trip to a play or musical.

The money earned during the year is used to finance the Speech Department activities. To be in the club one must be a member of either the National Forensic League or International Thespians.

Taking turns being on either the negative or affirmative sides is what Debating is all about. The affirmative supports the resolution, which this year states that the Federal Government should initiate and enforce safety guarantees on consumer goods. The negative upholds the status quo, or the present system of laws and regulations. The affirmative must present a plan to the judge and convince him that it is more desirable than the present system. The negative tries to find flaws in the affirmative plan and convince the judge that the present system is better than the affirmative's plan.

Class time is spent on research and discussion of affirmative and negative case and plan arguments. The research is so extensive that much time out of class is necessary to find documented material.

This year's winter play, "Pure as the Driven Snow", was a comedy and drama with an old-time flavor. It has a villain, Mike Moore as Mortimer Frothingham, a hero, Dave Apperson as Leander Longfellow, and a fair maiden, Wendy McIlvoy as Purity Dean. The play takes place in the lobby of "Upland Inn", located in a small town in Northern Vermont.

The play opens by introducing the Logan family, Leander Longfellow, and Purity Dean. Purity is a downtrodden woman who becomes the maid of the inn. Leander fall hopelessly in love with her. Mortimer Frothingham, an evil doer, casts a shadow of gloom over Purity by posing some deep secret. He steals a baby in order to frame Purity.

After a week, E.Z. Pickens enters with his sister, Imogene, who craves Leander for her husband. Imogene pledges revenge upon Purity when Leander discloses his love for Purity to her. Meanwhile Mortimer and his sidekick plot against Leander.

Five days later, the Logans plan a party for Imogene. Mortimer returns, and his wife enters and reveals his schemes. The baby is returned to it's natural parents and Leander and Purity can finally live happily ever after.

The play this year was directed by Ruth Klaus. Thanks to her hard work and the work of stagecraft and the performers, the play was a success.

DESIGN FOR LIVING

Stagecraft, a course taught by Beverley Scroggins, deals with the behind-the-scene action of all the productions presented at South.

Many long, hard hours of work and dedication go into the designing and construction of the scenery involved in the plays, some of which include the sound system, lighting, props, changing of the scenery if necessary, special effects, and the play programs.

To become a member of the stagecraft crew, a student must pass Oral Communication and Beginning Stagecraft. Many productions have been presented at South, all of which rely heavily on the stagecraft classes.

Being in Stagecraft lets the students work in the theatrical atmosphere, and work with many different people in different situations. And when the project is complete, they have a feeling of great satisfaction.

1. Stagecraft members Patty Petrunich, Angie Guth, Becky Jackson, Lisa Parker, Annette Barnes, Joe Fernandez, Pete Dochwat, Don Hill, Darin Bridick, and Julie Wickman. 2. Margaret Ballard paints the scenery for the next production. 3. Janette Vaughn and Amy Dillard assemble play programs. 4. Beverley Scroggins and Dave Aperson are busy at work. 5. The music of the GCHS/South Band helped make school activities a great success. The Marching Band displayed its talent at the bonfire, Homecoming parade, and at halftime during football games. They provide the music for the Dixie Dolls and the Flag Squad routines.

The band played at pep rallies, the state soccer tournament, and the presentation of the Homecoming Court. While waiting for President Jimmy Carter to make his campaign speech, the band was one of many that entertained the spectators.

Determination, skill, and effort were needed to produce all the good shows the band performed during the year. Annual band concerts were scheduled throughout the year. The band also provided the music for the spring musical. Band members that selected to perform in the spring musical orchestra, practiced a minimum of eight weeks in preparation of the production dates.

Many band students are selected to perform in the annual All-City Band Festival held in May. Each year a different well-known guest artist conducts the concert.

Mary Bright, Choir director, selected the members for the Southern Express Swing Choir, which was composed of talented singers. Practicing twice a week after school, the group learned new songs and dance steps.

Annually, Southern Express members compete in the state tournament, earning second place last year. Taking several tours around the city, the Southern Express sang at local restaurants and Maryville School. In the past, the Swing Choir performed at May Day and the open house held during National Education Week.

Members sold acrylic ornaments, posters, and vases to pay for vocal classes to see the musical Annie. Contondo, Advanced Mixed Chorus, and Girls Glee participated in the All City Choral Festival, Christmas Concert, and the Spring Concert.

The Granite South Pom-Pon squad, the Dixie Dolls, are under the direction of Patti Sharp, Cathy Moran, Janet Fox, and Mary Koerper. These girls and the rest of the squad put together and learn many routines which they perform at basketball and football games. They spend many nights after school perfecting those routines for their performance. They are sometimes asked to march in parades, and they enjoy every minute.

BELL, BOOK AND CANDLE

Quill and Scroll is the honorary society for students on either the **High World** staff or the **Warrior** yearbook staff. It was organized for the purpose of encouraging and rewarding students involved in high school journalism.

In order to become a member of Quill and Scroll students are required to meet and maintain certain requirements. Members must have an accumulative grade point average of 3.75 and have the recommendation from Mary Ellen Johnson, **High World** sponsor or from DeeMana Spudich, yearbook advisor.

Each spring the club holds a initiation for its new members. The initiation consists of a dinner and candle ceremony. The candles used symbolize: truth, learning, leadership, loyalty, initiative, integrity, judgement, and friendship.

New members initiated this spring were: Susan Squires, Todd Goodrich, James DeGonia, Traci Conkovich, Robert Goode, Mary Jenkins, Tracey Boker, and Roxanne Aleksandrian.

Quill and Scroll is under the supervision of Mary Ellen Johnson.

National Honor Society is the organization which recognizes students with outstanding knowledge and leadership. NHS, is sponsored by the National Association of Secondary Principals.

NHS recognized students who excelled in service, leadership, and character, as well as academic knowledge. Students whose accumulative average was 4.2 or higher were assessed by the faculty in these areas before membership was granted.

Activities of the chapter included operating a bookstore, publishing South's literary magazine, **Touchstone,** and honoring graduating seniors with an annual spring picnic.

Each spring NHS holds an initiation ceremony in the cafeteria for new members being initiated into the organization. The chapter is co-sponsored by Helen Cook and Helen Veloff.

It takes energetic students like Granite South's **High World** staff to produce 14 or 15 papers a year. Under the supervision of Mary Ellen Johnson, last year's **High World** was one of ten high school newspapers to receive a Blue Banner Award, the highest achievement to be awarded by SISPA, Southern Illinois School Press Association. **The High World** staff had received this award before, but it took until last year to receive it again. This year the staff is working as hard as last year, if not more, and hopes to receive this major achievement a third time.

The ten cent increase in price isn't much to ask when you consider the major changes the paper has undergone, and the increase in printing costs. The changes included a new style nameplate, larger pictures, generally more pages, and a cover story.

The **High World** has been in existence for fifty-four years. Mary Ellen Johnson has been the sponsor for the past fifteen years and deserves much of the credit for the success of the **High World.** Mrs. Johnson is satisfied with the improvements on the paper and plans on making more in the future.

The Photography Club is composed of students who are interested in learning photography skills. Meeting every two weeks, the club members discuss money making ideas. In the past the Photography Club has sold school shirts and football jerseys, candles, giant coloring books, and Tootsie Pop Drops. The elimination of candy selling was a problem, but the club managed to survive.

Club chairman, Todd Goodrich, was in charge of all money making projects, while DeeMana Spudich taught members how to use cameras properly. The advisors this year were Margie Pennell and DeeMana Spudich.

An active Social Studies Club this year raised money by selling pizzas, popcorn, spices, car wash tickets, and citris fruit, the major money-making project. Eliminating candy selling caused a hardship on the members earning their way to Easter vacation in Hawaii. Phil Shatto says that "if this rule is still in effect next year, there will be no Social Studies Club trip."

In the past the Social Studies Club has visited New Orleans, Washington D.C., Florida, Williamsburg, Virginia, the Caribbean Islands, and Hawaii.

In the Homecoming Parade, the Social Studies Club won second place with their motto "Crusaders, Try to Worm Your Way Out Of This One."

The Social Studies Club sponsored a mock presidential election, which resulted in a Reagan victory, an ironic upset in a predominantly Democratic Madison County. In addition, Alan Dixon was selected as the preferred choice for the Senate seat.

The Future Secretaries Association is one of the many beneficial clubs offered at South High School. F.S.A. sponsored by Patricia Allen, meets at 7:00 p.m. on Monday evenings. The officers of the club are President Judy Weller, Vice-President Elizabeth Baldwin, Recording Secretary Loretta Rutledge, Corresponding Secretary Georgia Scrum, Treasurer Lora Scarborough and Board Members Nancy Moore and Kathy Plebanek.

F.S.A. has many events throughout the year. F.S.A. Olympics is one event in which South and North rivaled over their secretarial skills, such as typing and steno. They also have an Office day. This is where the members go into a real office and spend some time with a secretary at work. A requirement for the club is to have a business major, which is six semesters of business courses such as steno, typing, bookkeeping and accounting.

The Home Economics Club was busy this year selling class mugs and co-sponsoring a dance. These projects were done to help raise money for a trip which the club plans to take next year.

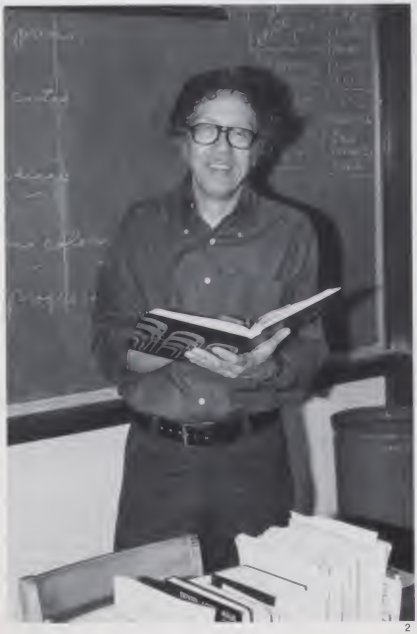

Officers of the club are President Gay Wright, Vice-President Elaine Ozanich, Secretary-Treasurer Vicki Koester, and Historian Marsha Fisher. Cheryl Reed is the club sponsor. Requirements for the club are to either be enrolled in a Home Economics class or to have already had a Home Economics class. Such classes could include, Foods, Clothing, Parenting and Consumer Home Management when it is taught by a Home Economics teacher.

Home Economics meet on Wednesdays after school to discuss any important business pertaining to the club and to just get together those who have an interest in Home Economics. Dues of one dollar were paid in the beginning of the year to help pay for all the club expenses and other activities throughout the year.

The Science Club this year was made very interesting by its sponsor, Beverly Frazier. President, Gail Frazier; Vice-President, Carole Mitchell; and Treasurer, Todd Goodrich. Some of their activities were a trip to the Planetarium and to the Museum of Science. They also took a float trip. Money was raised for these activities by paper drives and selling class mugs. Requirements to be in the club were that you must have had one year of science courses, be majoring in science, or be taking a science class when you joined. The dues were one dollar per month and the meetings were held twice a month.

The Foreign Language Club's sponsor, John Sellmeyer, has been sponsor for three years, and this years officers were President, Beth McNeilly; Vice-President, Angela Grupas; Secretary, Brenda Knight, and Treasurer, George Sykes. Dues for the club were fifty cents per semester and the meetings were held twice a month. The club's activities were sponsoring a dance with student council and taking a trip to see a concert of a foreign imitation of the "Beatles."

AND JUSTICE FOR ALL

5

Have you wondered where Student Council holds its meetings? During the first half of third hour, council members assemble down in the basement by the guidance offices.

Under the leadership of Susan Jeffries, president of Student Council, the members worked hard for Granite City South. One of the major projects this year was to replace broken benches and replant the area between the cafeteria and the gym. Their "Keep the campus clean" slogan as well as their effort made this area a pleasant area for students to relax, particularly in the warm weather.

In addition, the Student Council sponsored two blood drives, encouraging students to "give." The goal of 130 pints was exceeded, and 186 pints were collected.

To insure that many families in Granite City enjoyed a good Christmas, the Student Council organized a drive to raise funds for food baskets. Each homeroom was encouraged to donate $25.00, and the Student Council awarded prizes to the most generous homeroom. The baskets were delivered on December 22.

To entertain the student body at the Christmas assembly, the Student Council paid hypnotist Tom DeLuca to fascinate students for a second time.

To promote school spirit, Student Council named our halls. The main hall now is known as Warrior Path. Spook-a-grams, candy cane-o-grams, val-a-grams, went on sale before the occasion they represented. The Christmas and Valentines Dance were also sponsored by Student Council.

The Prom was held at the SIU ballroom this year on May 2. With the remaining time left in the school year, new Student Council members were elected for the next year.

EXECUTIVE SUITE

This year the Warrior yearbook staff put together an exciting book with "movies" as its theme. The staff worked on weekends and holidays to meet their deadlines; however, they experienced many hilarious moments as they desperately searched for headlines and tried to dream up original captions.

DeeMana Spudich, the yearbook advisor for three years, was pregnant at the beginning of the school, so Marge Pennell was selected to replace her. This appointment worked out well until Mrs. Pennell took a leave of absence due to pregnancy.

The absence of the yearbook advisors put a great deal of pressure on the editor, Patti Petty, as well as the entire staff. The book could not have been a success if it was not for Miss Petty's patience and leadership.

This year there were only eight members on the staff. This gave each member added duties and responsibilities. Many times they became discouraged after drawing layouts or cropping pictures over and over.

Everything did, however, end on a happy note. Two advisors and three babies later, the staff was proud of their hard work and the 1981 **Warrior.**
